MEMBERSHIP TOOLS

Target un-renewed American Legion members

The 100 percent membership target date (May) is drawing near. And to be successful with The American Legion's strategic plan for sustained membership growth, departments and posts are tasked with meeting their assigned membership goal.

To help with this endeavor, a new tool is available for post leadership on www.mylegion.org that focuses on making direct contact with un-renewed members.

The new tool provides easy-to-print spreadsheets that contain email addresses and phone numbers of un-renewed members to make personal contact with; a personalized letter – ready to print and insert into a window envelope – that highlights your post's initiatives; and printable mailing labels.

To access this tool, log in to MyLegion and then:

- Click on "Reports/Labels" located on the left menu bar;
- Click on the "Post Reports" folder; and
- Click on the "Commanders Membership Push" folder.

Membership tools:

- To join MyLegion.org, go to: www.legion.org/mylegion.
- To download Legion membership brochures, recruiting videos and customizable door hangers, go to: www.legion.org/membership/tools.
- To generate automated letters asking headquarters post members to transfer, follow the step-by-step guide at: www.legion.org/dispatch.
