

Hey NALPA members, our fellow Legionnaires in Texas need our help.

Hurricane Harvey smashed into Texas this past weekend flooding homes and disrupting the lives of many of our fellow Legionnaires and their families.

The American Legion National Emergency Fund is ready to answer the call, but the word needs to be spread. Note 100% of donations to NEF go to the cause.

Please spread the word about NEF, there are several ways you can help do this:

1. If you are a member or a Post in Texas or your know of members there, direct Legionnaires or Sons of the American Legion to www.legion.org/emergency to learn how they can apply for assistance through NEF.
2. Go to this link <https://vimeo.com/album/4371837/video/231586540> and download the 40 second PSA on the Legion NEF fund and post it to your website, Post social media pages, and your social media accounts.
3. Ask your local TV stations to run this 30 second PSA to spread the word further: <https://vimeo.com/album/4371837/video/231586564>
4. Give to NEF. Giving can be hard during natural disasters if people do not trust the organization they are giving to, but they still want to help. Give to The American Legion National Emergency Fund and know every dollar helps a fellow Legionnaire or Son in need.

To our members in Texas, Louisiana, and other Gulf coast states our prayers are with you.

For God and Country,

Sincerely,

Mark
