HVAC Install Technician

Vaughan Comfort Services

Magnolia, NJ, 08049

Duties and Responsibilities

Come join our team! At Vaughan, you're not a number. Our owners know each employee personally and value them highly. We've been in business for over 80 years and offer, oil/gas/ac/ductless service and installation to residential customers within the tri-county area.

Vaughan Comfort Services does not promote a high pressure sales work environment. Our philosophy is to provide our customers with an honest assessment, at an honest price. We recommend service enhancements and allow the customer to decide what works for their budget.

We believe it's important for our technicians enjoy their work environment as well as the services they perform , which is why we offer contests, parties, company breakfasts, employee of the month rewards, etc.

At Vaughan, you'll receive regular on-the-job training and be introduced to the latest HVAC products the industry has to offer.

We offer a very competitive salary and weekly incentive program bonuses. Vaughan also offers health, dental, vision and life insurance packages, 401k profit sharing, paid vacation and holiday time..

About Vaughan Comfort Services

Vaughan Comfort Services has provided quality HVAC installation and repairs to southern New Jersey since 1937,

when company founder Elwood Vaughan began providing service with the aid of one modest used truck. Today, Vaughan continues to serve the southern New Jersey community with quality heating and air conditioning services, installations, plumbing, protection plans, energy assessments, system enhancements and more.
