## A Message From National Commander Rohan

### Strength Comes From Membership

The National Commander writes. Without strong numbers, our influence for fight for veterans' rights on Capitol Hill is jeopardized. Our youth programs will mentor fewer children who need our guidance. Our charitable donations will help fewer veterans, service members and their families who need us.

It's numbers we need now, more than ever.

Together, our dedication and the strength of numbers will allow us to continue standing tall for veterans and service members as we near the beginning of a second century of service. We will fight to ensure that veterans receive the health care they deserve, that our troops are poised to succeed, that rewarding career opportunities are available for veterans and their spouses, children are educated and our nation's flag is treated with the respect it deserves.
