

DEPARTMENT OF NEW JERSEY RESOURCE DOCUMENT

The following will provide a summary of most veteran related resources to guide the Department of New Jersey, its Family members and other veterans with the knowledge and skills necessary to complete its Mission, stated below.

“The Mission of The American Legion's Department of New Jersey's Veterans Employment, Homelessness & Education Committee, is to take actions that affect the economic wellbeing of veterans, including issues relating to veterans' education, employment, home loans, vocational rehabilitation, homelessness, and small business.”

GENERAL NJ SUPPORT

- **New Jersey Department of Military and Veterans Affairs (DMAVA)** - <http://www.state.nj.us/military/>. This State Department provides total support to our National Guard and all veterans in NJ. This includes but is not limited to all state benefits, links to federal benefits and support, and all related veteran assistance. State and local certified Service Officers are available to assist and consult with all services.
 - New Jersey Service Officers: <https://www.nj.gov/military/veterans/services/vso/>.
 - County Service Officers: <http://www.nj.gov/military/veterans/county-service-offices/>.
 - NJ Veterans Diversion Program - <https://www.state.nj.us/military/veterans/diversion-program/index.html>.
 - Brigadier William Doyle Cemetery - <https://www.nj.gov/military/cemetery/general-information/>. A review of cases for any veteran that died while incarcerated will be performed per the following rules. Veterans found guilty of a capital crime are not eligible if -
 - They have been convicted of a federal or state capital crime and may receive a sentence of imprisonment for life or the death penalty, and the conviction is final or,
 - Clear and convincing evidence shows that they have committed a federal or state capital crime, but they could not have a trial due to flight to avoid prosecution or death.
 - Veterans are not eligible if they were convicted of a Tier III sex offense and sentenced to a minimum of life imprisonment—and the conviction is final.

- Veterans aren't eligible if they were convicted of subversive activities after September 1, 1959, unless they've received a pardon from the President of the United States."
- These Veterans also do not qualify for a Presidential Memorial Certificate, burial flag, headstone, or marker.

- **Request for Military Records - DMAVA**

The New Jersey Department of Military and Veterans Affairs (DMAVA) maintains and archives many military records of current and former members of the New Jersey Army and Air National Guard. Additionally, the Department maintains and archives numerous discharge records of former Service Members of Active Duty and Reserve Army, Navy, Marines and Air Force who were residents of the State of New Jersey upon discharge from the military. A copy of a Service Member's discharge records is normally sent to the State that the Service Member called home on the day after his/her discharge. The State from where a Service Member was born, trained, and/or discharged from does not guarantee that the Department would have these records. Please note that the Department did not start receiving these discharge records until after 1995 or later. For further information see - <https://www.nj.gov/military/veterans/services/request-military-records/>. See for additional DMAVA information - <https://www.nj.gov/military/>.

- **Request for Military Records - National Personnel Records Center**

Also visit the [National Personnel Records Center website](#) for your records request. You can also call [866-272-6272](tel:866-272-6272), or write The National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001.

- **No Next of Kin** - In order to obtain records when there are no next of kin for proper military burial, and the only option per the NPRC is for the funeral director to fax a SF180 to the emergency hotline to 314-801-0764.
 - Contact Mission of Honor to obtain the cremains, for further verification of no next of kin, and proper burial. See - <http://njsmissionofhonor.org/>.
- **Discharge Upgrades & Corrections** –

 - <https://www.va.gov/discharge-upgrade-instructions/> - VA, How to Apply for a Discharge Upgrade.
 - **Military Service Record**
Submit **DD Form 149, Application for Correction of Military Records** to the relevant service branch, for +15 years after separation.
 - **Discharge Status**
Submit **DD Form 293, Application for the Review of Discharge or Dismissal from the Armed Forces of the United States** to the relevant service branch, for less than 15 years of separation.

- Veterans with other than honorable (OTH) discharges – also known as “bad paper” discharges – do not qualify for VA benefits and services. However, many OTH discharges can be attributed to undiagnosed post-traumatic stress disorder or traumatic brain injury symptoms. Congress instructed the Department of Defense (DoD) to create a process through which these discharges can be appealed and, possibly, reversed.
- Through a joint initiative, DoD and VA launched an online tool (www.vets.gov/discharge-upgrade-instructions) to help veterans with the discharge recharacterization process.
 - The site will ask veterans a few questions. By answering them, the veteran will know which board they need to go to, what form to fill out, any special guidance applicable to their case, where to send their application, and helpful tips for appealing their discharge.
- Our Senators, DMAVA and the GIGO Fund can also facilitate this upgrade process.

A generic VA ID card (vs. benefits) can also be obtained by going to - <https://www.va.gov/records/get-veteran-id-cards/vic/>.

- **Voter Registration** – See <https://www.state.nj.us/state/elections/voter-registration.shtml>.
- **NJVET2VET** – Total NJ Hotline for all subjects. Call 866-838-7654. See - http://ubhc.rutgers.edu/call_center/peer_support/vet2vet.html & <https://www.njvet2vet.com/contact/>.
 - A PowerPoint presentation is available for additional information.
 - Veteran Peer Support - Veteran Peer Support does not fix anything, but it offers an opportunity for a Veteran caller to normalize and relate. At times, it is seen that sharing can foster the insight to other strengths as a basis for the peer support experience.
 - Family Support - The helpline offers support to family members that may be experiencing a difficult situation. For example, a family member who experiences a loved returning home from a combat deployment may be confused of how to go about supporting their loved. Veteran Peers are available who have participated in overseas deployments.
 - Case Management - Four steps are involved in reciprocal peer support which are: connection, information gathering, case management, and affirmation and praise. Case management pertains to individuals looking to be linked to community resources. Once linked, we like to keep in touch to see if the resource was helpful and what are the goals.
 - SUICIDE - If you see any veteran that is having a hard time coping with their normal daily lives and/or cannot “fit” or adjust to society or is saying they want to take their life, please call the VA’s Military and Veterans Confidential Help

Line at 1-800-273-8255, PRESS 1! Or text 838255. For all other non-life-threatening veteran affairs matters call the NJ's funded VET2VET Confidential Peer Support at 1-866-838-7654, staffed by veterans 24/7.

- <https://www.americanbar.org/events-cle/ecd/ondemand/383399789/> - American Bar Association - An Other-Than-Honorable discharge means that a veteran was separated under conditions less than honorable. This discharge characterization deprives veterans of VA benefits, including physical and mental health treatment; limits their job prospects; damages reputations; and destroys self-esteem. Especially for those suffering from mental health conditions, these service-related disabilities should not preclude veterans from receiving care, benefits, and respect. A discharge upgrade can remove these barriers and allow veterans to receive the benefits that they deserve.
