NATIONAL COMMANDER'S CALL TO ACTION

Many posts experienced periods of local COVID 19 closure actions and were unable to provide face-to-face services for potential members. With these varying degrees of COVID-19 restrictions and the personal precautionary measures of all Americans, it is going to be tough to meet the 100,000 new member goal.

With all of this in mind, I have a Call to Action for all leaders between now and March 15:

- Encourage your posts and districts to work their expired rosters, contact and renew those members who have not renewed, and conduct periodic checks to see how they are doing.
- Encourage posts to work DMS lists. There are many members who join The American Legion through this program with the expectation of someone contacting them and welcoming them into the organization. Remember, there is a \$5 incentive for the department when someone contacts a 2020 DMS member and gets them to transfer and renew at the local post for 2021.
- Encourage post to submit Consolidated Post Reports.

The latest renewal notice is now in the mail and should soon be in your members' mailboxes. I am asking each of you to assist the posts in your department with renewing members and contacting those posts who have not transmitted recently. We can do better serving our members during this challenging period our nation is facing.
