

District Training in a Box now available online

District Training in a Box is available on www.Legion.org. Below are screenshots on how to access the information. While the link moves to what is known as Dropbox, an account with Dropbox is not required to access the presentations.

Go to www.legion.org/training

How to sign up for the Training newsletter.

Arrow down to Tools and Resources and click on District Training In A Box.

... continued on next page.

District Training in a Box now available online

Once in Dropbox it will take you to a directory as shown below. Click on the boxes to take you to other directories and presentations.
