

This Friday September 18, 2020 is American Legion National POW/MIA Recognition Day:

The American Legion is committed to achieving a full accounting of all POW/MIAs from WWI, WWII, Korean War, Vietnam War, and the Gulf War. This means returning living POWs, the repatriation of their remains or finding convincing evidence why neither of this is possible.

The American Legion supports the declassification of all POW/MIA information, the strengthening of joint commissions with Russia, North Korea, China and Vietnam. The resourcing of investigative efforts and field operations to resolve POW/MIA issues.

The American Legion will continue to speak out and exert maximum pressure on the administration, and or Congress to fully account for America's POW/MIAs.
