Reminder

With National Commander Paul E. Dillard's focus on renewals, post leadership is encouraged to reach out to 2020 last paid members and offer them the ability to continue their continuous years of membership – despite not renewing in 2021 – if they renew for the 2022 membership year. For example, if an expired 2020 member had five continuous years prior to letting their membership lapse, and they were to pay for the 2022 membership year, their continuous years would be six years.

If the veteran would like to pay for 2021 as well so it's on their membership record, they can. If they only want to pay for 2022, then the adjustment on the continuous years must be made at the post by filling out a Member Data Form (MDF) to correct the years and processed at National Headquarters. Or the department can correct it within the member's record in Personify.

When transmitting dues, if the veteran is only paying for the 2022 membership year then select 2022 – do not select 2021 or payment will come out for that portion of the per capita and it will be deducted as part of the eCheck payment processing.

If the member wants both 2021 and 2022 membership years to be added to their continuous years, accept payment for 2021 and 2022 and the department will process through Personify.
