Department Commander Dunn 2021-2022 Legion Family Project

As Commander for 2021/2022, I have chosen a Department Project which focuses on the Veterans in need and Suicide Awareness, which I feel goes hand in hand. Working together with our Legion Family, we will be able to accomplish a lot of great things not only improving the lives of Veterans but saving them as well.

I will be asking to raise a total of \$128,100. Below you will find a breakdown of the contributions.

\$18,000 for additional Flag Poles at all 5 Veteran Homes and General Doyle Cemetery. The two new poles will be for the addition of the Space Force and the National Guard.

\$20,000 for a service dog through Rebuilding Warriors for assistance with physical or mental needs.

\$25,100 to Hoboken Post 107 Veteran Housing Expansion Project.

\$15,000 Suicide Awareness Funding.

\$10,000 Homeless Veterans Fund.

\$10,000 View CLix for Menlo Park Veterans Home. 20 residents will receive the 15.6 display. This will be an easy way for seniors to keep connected to family and friends through video calls and photos. Go to viewclix.com for more information.

\$5,000 to Veterans Haven South for Library and Craft supplies.

\$25,000 will go to the sustainability of the new 501C3 Legion Family Fund.

This veteran population and their families' thank you and we thank you.

For God and Country,

DANIEL DUNN,
Commander
