Volunteers are the heart and soul of the USO and will be needed daily at EWR to greet service members and their families as they prepare to deploy, are waiting for a loved one, or just need a place to rest during a layover.

Volunteers are able to support our service members and their families in a variety of ways, including: welcoming and assisting our service members as they visit our centers; supporting service members as they depart for and return from deployment, trainings, and holiday leave; offering support to families of the fallen as they travel through USO airport centers and helping execute various USO programs and events which may involve serving meals to troops, decorating centers for the holidays, or providing support during special events.

USO needs to fill 4,380 volunteer shifts annually to operate the USO Center at Newark Liberty International Airport 7 days a week, 365 days a year.
